

DfE Secondary Reading Framework Webinar

For Secondary Leaders (Headteachers, Senior Leaders, Reading Leaders)

- Explore the Reading Framework and aspects that have been included to develop KS2 and KS3
- Explore how to implement the Reading Framework in your setting

The Reading Framework focuses on supporting leaders and teachers to make sure that their pupils start secondary school as confident readers, able to engage with the challenges of a wider curriculum. This is not only valuable to primary schools, but also to secondary school teachers to understand how reading is taught from the very beginning and how it develops before pupils enter year 7. It outlines some of the different challenges of teaching reading in the secondary curriculum and provides support for secondary schools in teaching pupils who have not yet met those expectations in reading.
