

Nottingham City's Moderation Events 2025

Nottingham's suite of moderation events is designed to provide an opportunity for teachers to engage in some external moderation of their writing judgements. Teachers will therefore need to bring a range of their pupils' writing books (below, at and above the expected standard) including those on the cusp of a particular standard.

The venue for all of the events is **Nottingham Nursery School & Training Centre**, Forster Street, Nottingham NG7 3DF and the provider is Primary Adviser & Moderation Manager, **Jane Gill** (jane.gill@nottinghamcity.gov.uk).

The cost for non-NST schools is still only £50 per delegate.
(The Y6 moderation workshop in March is free for all Nottingham City schools.)

For further details and to book places please click on the event links.
