

Pre-Key Stage Standards

MODERATION AND SUPPORT
FOR SCHOOLS WITH ANY PUPILS
OPERATING AT THIS STANDARD

PRIORITY LITERACY
TOGETHER ACROSS DERBY AND NOTTINGHAM

This is for **Senior Leaders, SENCos and/or Y6 teachers** to develop and understanding of expectations and outcomes for those pupils working at a pre- key stage standard.

The pre-key stage standards are provided for the statutory assessment of pupils engaged in subject-specific study who are working below the overall standard of the national curriculum tests and teacher assessment frameworks.

Keystone Academy Trust are running a session to ensure schools are familiar with the Pre-Key Stage Standards for assessing pupils working below the National Curriculum standards at the end of Key Stage 1 and 2.

Within this workshop you will have the opportunity to come together with other colleagues, unpick the standards and compare this to learning outcomes for pupils who are operating against this criteria.

Participants will also receive a copy of the Pre-Key Stage Exemplification Materials for reading, writing and maths written by leaders of the Moderation Team with input from the Special School sector.
